Dear Laura

CILEx Level 3 Diploma in Law and Legal Skills

Thank you sending us details of your proposed Level 3 Diploma in Law and Skills.

As you know, we have been actively involved in the development of the Trailblazer apprenticeship leading to qualification as a solicitor, which we believe provides a high quality alternative route to admission as a solicitor and opens up the profession to a more diverse talent stream.

We are therefore happy to support the introduction of this new qualification, from which candidates can progress to the new solicitor apprenticeship.

Yours sincerely

Crispin Passmore
