Dear Mrs Purtil

I can confirm as a Higher Education Institution, we recognise the following qualification as fulfilling the entry requirements to some of our degree programmes in related subject areas, either by meeting the entry requirements in their own right or being accepted in conjunction with other qualifications at the same level:

**601/7248/4 - CILEx Level 3 Diploma in Law and Legal Skills (QCF)**

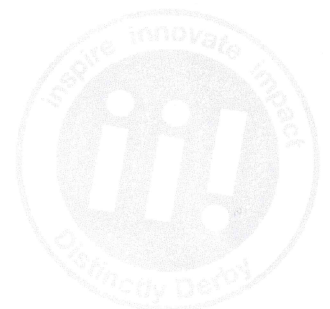

I am happy for this letter to be made public on the Department of Education (DfE) and CILEx websites to confirm our support for this qualification.

Yours sincerely,

Scott Atkins
