Dear Sirs

RE: CILEX LEVEL 3 DIPLOMA IN LAW AND LEGAL SKILLS

We are a firm of solicitors with offices in Merthyr Tydfil and Nelson, delivering legal services in a variety of areas.

As an employer of paralegal staff whose role is important to the different areas of the business we confirm that the above qualification offered to those aged 16 and over would give young people a significant advantage in applying for a paralegal job role or applying for an apprenticeship.

The qualification includes important skills and knowledge required for paralegal work. It would provide progression opportunities for fee earning work, specific legal roles, etc.

We would therefore look favourably on applications from those who have achieved this qualification.

We would support this qualification for inclusion in the DfE Performance Tables for level 3 qualifications.

We confirm that we consent to our name and logo appearing on the DfE and CILEx websites.
