Dear Sirs

**CILEX LEVEL 3 DIPLOMA IN LAW AND LEGAL SKILLS (6017248/4)**

As an employer of paralegal staff whose role is important to the different areas of the business we can confirm that the above qualification offered to those aged 16+ would give young people a significant advantage in applying for a paralegal job role or applying for an apprenticeship. The qualification includes important skills and knowledge required for paralegal work and would provide progression opportunities for administration staff to progress to fee earning work particularly in the areas of Fast Track Personal Injury and Wills and Probate. We would therefore look favourably on applications from those who have achieved this qualification.

We would support this qualification for inclusion in the DfE Performance Tables for level 3 qualifications.

We confirm that we consent to our name and logo appearing on the DfE and CILEx websites.

Yours faithfully
