

Appeals Procedure

CILEX Regulated Qualifications

Introduction

1. This procedure describes the way in which CILEX implements its CILEX Appeals Policy – CILEX Regulated Qualifications (Appendix 1) in relation to appeals of the following:
 - Enquiries about assessment results outcomes
 - Reasonable adjustments decisions
 - Access arrangements decisions
 - Special consideration decisions
 - Other administrative decisions for example, exemption decisions, decisions in cases of missing scripts¹.
2. The procedure for appeals in relation to sanctions imposed on a learner, CILEX accredited training provider or an accredited training provider member of staff, following an investigation into malpractice or maladministration is set out in the CILEX Malpractice and Maladministration Appeals Procedure – CILEX Regulated Qualifications.

Scope

3. This procedure applies to CILEX learners, Heads of Training Providers, other accredited training provider staff and associated contractors, and CILEX staff and 3rd party contractors involved in appeals.

Requirements for Appeals

4. The requirements which must be met to request a Stage 1 Appeal are set out below.

Type of appeal	CILEX requirements
Appeal of assessment result	A review of marking, or QA review, of the assessment result must have been requested, in accordance with the relevant Enquiries about Results Policy and Procedure, processed and the outcome issued.
Appeal of a decision in relation to a reasonable adjustments or access arrangements*	A reasonable adjustments or access arrangements application and supporting evidence must have been submitted to CILEX by the published deadline for applications, in accordance with the relevant policy and procedure, and the decision issued.
Appeal of a decision in relation to a special consideration application	A special consideration application and supporting evidence must have been submitted to CILEX by the published deadline for applications, in accordance with the relevant policy and procedure, and the decision issued.
Other administrative decisions	The decision which is the subject of the appeal must have been issued to the appellant, for example, an exemption application outcome must have been issued.

¹ A missing script in this context may include a learner's response to an assessment which is lost, damaged or similar whether produced electronically or in hardcopy.

	The decision which is subject to the appeal must allow for an element of judgement. The grounds for the appeal must be based on CILEX's failure to apply its relevant procedure properly and fairly. For cases where CILEX requires further evidence to reach a decision, for example, further syllabus details are required to reach a decision on an exemption application etc, an appeal cannot be requested. Important: the outcome of the Stage 1 Appeal is final – a Stage 2 Appeal is not permitted.
--	---

***Important:** If a learner or training provider, on behalf of a learner, would like a reasonable adjustments or access arrangements application to be reconsidered by CILEX because they have new information/evidence, this is **not** considered to be an appeal. Learners/training providers in this situation should contact the Customer Service team at CILEX with the new information/evidence in order that the application can be reassessed.

Procedures for Stage 1 Appeals

5. CILEX permits learners or training providers acting on behalf of a learner to request an appeal.
6. Appellants must request a Stage 1 Appeal within 10 working days of the date of the correspondence setting out the CILEX decision, which is being appealed.
7. Appellants should download and complete the CILEX Appeals Form, available on the CILEX website, to request a Stage 1 Appeal. The form should be submitted via the Contact Us function in myCILEX.
8. Training providers requesting a Stage 1 Appeal on behalf of a learner must have the learner's explicit written permission. Training providers must ensure that they retain a copy of the learner's written consent for at least six months following the appeal. CILEX reserves the right to request to see a copy of the learner's written consent.
9. Appellants must set out clearly and concisely the grounds for appeal in accordance with the requirements set out in the CILEX Appeals Policy – CILEX Regulated Qualifications and ensure that any evidence in support of the Stage 1 Appeal application is submitted.
10. CILEX will consider whether or not to accept the application for a Stage 1 Appeal based on:
 - the grounds for appeal
 - whether the requirements for the appeal have been met
 - the timescale for the Stage 1 Appeal application.
11. CILEX will confirm whether the Stage 1 Appeal application has been accepted within five working days of its receipt by CILEX. An appellant, who has not received an acknowledgement within five working days, should contact CILEX.

Stage 1 Appeals – Preliminary investigation

12. An investigator, with the requisite competence, is appointed to investigate the Stage 1 Appeal. The investigator must have no personal interest in the decision being appealed and must not have been involved at an earlier stage in the decision being appealed.
13. The investigation examines the grounds for appeal and evidence submitted by the appellant. A review of CILEX records and reports relating to the decision being appealed is undertaken. The investigator considers whether there is evidence in support of the grounds for appeal and whether there is evidence that the relevant CILEX policies and procedures have been followed and applied fairly.
14. A Stage 1 Appeal investigation in relation to an enquiry about an assessment result does not involve a re-mark. The investigation focuses on whether the correct processes have been followed properly and fairly.
15. The investigator produces a report setting out the findings of the investigation conducted.

Stage 1 Appeal Outcome – CILEX Review Panel

16. The CILEX Review Panel is responsible for deciding the outcome of a Stage 1 Appeal. Panel members are appointed on a case-by-case basis in accordance with the Terms of Reference and the requirements set out in the CILEX Appeals Policy – CILEX Regulated Qualifications.
17. The CILEX Review Panel considers the grounds and evidence presented by the appellant along with the investigation report, the evidence gathered during the investigation, including any records relating to the original decision, the relevant CILEX policy and procedures and their application and any relevant CILEX precedents to reach a decision.
18. The CILEX Review Panel decides whether to uphold, partially uphold or reject the appeal. The CILEX Review Panel will uphold or partially uphold the appeal where it finds that any of the relevant CILEX policies and procedures have not been followed or applied fairly.
19. The CILEX Review Panel will agree the remedial action to be taken if the appeal is upheld or partially upheld. Remedial action may include:
 - (i) referring a decision for a further review, as directed by the CILEX Review Panel, for example, requiring a review of marking of an examination script
 - (ii) arranging for a fee to be refunded/waiving a fee
 - (iii) changing the decision, where there is evidence to inform a decision and the decision does not involve an assessment judgement, for example, reasonable adjustments, access arrangements or special consideration decisions.
20. If the appeal is upheld or partially upheld as set out above, the Stage 1 Appeal fee paid by the appellant will be refunded by CILEX.
21. The CILEX Review Panel will agree a summary of its findings to be provided to the appellant.

22. The findings of the CILEX Review Panel will be notified to the appellant within 25 working days of the date of the acknowledgement from CILEX confirming that the Stage 1 Appeal has been accepted.
23. The finding of the CILEX Review Panel in relation to other administrative decisions, e.g. exemption decisions, missing script decisions is final, no further appeal is permitted.

Procedures for Stage 2 Appeals

24. A Stage 2 Appeal can only be requested for enquiries about assessment results, reasonable adjustments, access arrangements or special consideration decisions if a Stage 1 Appeal has been requested and the outcome received by the appellant.
25. Stage 2 Appeals are not permitted for other administrative decisions including exemption applications and missing script decisions. In such cases the outcome of the Stage 1 Appeal outcome is final.
26. Appellants must apply for a Stage 2 Appeal within 10 working days of the date of the notification of the Stage 1 Appeal outcome.
27. Appellants should download and complete the CILEX Appeals Form, available on the CILEX website, to request a Stage 2 Appeal. The form should be submitted via the Contact Us function on the website.
28. Training providers requesting a Stage 2 Appeal on behalf of a learner must have the learner's explicit written permission. Training providers must ensure that they retain a copy of the learner's written consent for at least six months following the appeal. CILEX reserves the right to request to see a copy of the learner's written consent.
29. A Stage 2 Appeal is a continuation of a Stage 1 Appeal for appellants who do not agree with the outcome of the Stage 1 Appeal. Appellants are not required to set out any further grounds for appeal or present any further evidence.
30. CILEX will acknowledge receipt of the Stage 2 Appeal application within five working days of its receipt by CILEX. An appellant, who has not received an acknowledgement within five working days, should contact CILEX.

Stage 2 Appeals – CILEX Qualifications Appeals Panel

36. The CILEX Qualifications Appeals Panel decides whether to uphold, partially uphold or reject the Stage 2 Appeal. In reaching this decision it will decide whether it fully or in part agrees with the findings of the CILEX Review Panel in relation to whether CILEX had acted in accordance with its procedures and applied the correct policies and procedures properly and fairly, or whether it disagrees with the CILEX Review Panel's findings.
37. Decisions of the CILEX Qualifications Appeals Panel are made by a majority vote of the Panel members present.
38. The CILEX Qualifications Appeals Panel may defer its decision if further information is required to reach a decision.
39. The CILEX Qualifications Appeals Panel is not permitted to re-mark or re-assess learner work.
40. The CILEX Qualifications Appeals Panel will reject the appeal if it agrees in full with the decision of the CILEX Review Panel.
41. The CILEX Qualifications Appeals Panel will fully or partially uphold the appeal if it:
 - fully or partially disagrees with the findings of the CILEX Review Panel or
 - it finds that the Stage 1 Appeal was not conducted in accordance with the relevant CILEX Appeals Policy or Appeals Procedure or
 - it does not agree with any remedial action taken by the CILEX Review Panel.
42. In the event that the CILEX Qualifications Appeals Panel fully or partially upholds a Stage 2 Appeal, it will determine the remedial action to rectify the failing/s identified. Remedial action may include but not be limited to:
 - (i) referring a decision for a further review, as directed by the CILEX Qualifications Appeals Panel, for example, requiring a further review of a learner's examination responses by an assessor with the requisite technical expertise
 - (ii) requesting that a fee is refunded/waived
 - (iii) changing the decision for a reasonable adjustments, access arrangements or special consideration application.

43. In addition to any remedial action and irrespective of whether the CILEX Qualifications Appeals Panel upholds or rejects the appeal, it may make recommendations to CILEX to inform its ongoing process of review and improvement. These recommendations are for CILEX consideration only.
44. The findings of the CILEX Qualifications Appeals Panel are recorded by the Clerk.

50. Training providers requesting an appeal, on behalf of a learner, will be invoiced for the appropriate fee within five working days of CILEX receipt of the request. Payment terms will be strictly 30 days from the date of the invoice. Non-payment of invoices may result in CILEX services being suspended.
51. CILEX reserves the right not to progress an appeal application until the correct fee has been paid.
52. The fee is refunded if the appeal is upheld in full or in part.

Monitoring Appeals
