

P1 Fail Report Feedback- Guidance to Trainees

As per **Step 3 – Assessment Outcomes and Feedback Process** on page 7 of the 'P1 Professional Skills Guidance to Trainees', if a fail grade is awarded, detailed feedback will be provided in a 'Fail Report', outlining the specific criteria that were not met. This report will be shared with the training provider. It is expected that your training provider will share this document with you on the date the results are released.

If you have not received the report, please contact your training provider directly.
