

## **CILEX Bad Weather Policy for Students Attending Examinations**

Students who are unable to travel to their examination centre due to severe weather conditions must notify CILEX of this immediately.

In the event of travel difficulties caused by severe weather conditions and therefore beyond candidate's control, CILEX will consider awarding a credit of examination fee to those affected upon their written request being received at CILEX before the deadline published on the [Key Dates and Deadlines](#), please email [awards@cilex.org.uk](mailto:awards@cilex.org.uk)

***N.B Credits awarded to candidates must be used to enter examination/assessment in the following examination session, any credit not claimed will be cleared. All credit requests will be assessed on an individual basis.***

Please be advised that if travel links are available but with delays candidates arriving late for examinations are permitted entry up to 45 minutes late than the official start time (9.30am and 2pm), however the time will not be added to the end of the examination.
