

Dear Member,

We know you have been wondering about what will happen to the September exam session as we all continue to face uncertain times.

We have been working hard to find a solution that will give as many of you as possible the chance to sit your exams and continue your studies in the safest way. None of us knows what the situation will be like in September and we want to be prepared for significant local and regional differences.

We can confirm that all the Level 3 and Level 6 exams will take place as scheduled during the week beginning 7<sup>th</sup> September, following the [timetable](#) published on the CILEx website.

The exams will be delivered **online** through our experienced e-learning partner.

You will hear from us regularly between now and September, with everything you need to know to get set up and prepared.

You will also be able to have a go at practice papers using the online system, as part of your exam preparation.

We have set up a dedicated web page, which will be regularly updated with further information and FAQs. You can access this page using the button below:
