

Dear Member,

We hope your preparations for September are continuing successfully.

Whilst much of the work that we are undertaking to deliver a successful exam session is unseen, be assured that we are working hard to ensure that you have a positive experience when you sit your exams, whether you are going to be doing this via remote invigilation or in a socially distanced way at your Accredited Centre.

There is some new information on the FAQ page covering the following:

- [Reading time](#)
- [ID requirements](#)

We are confident that work you have, and are, putting into your revision studies will give you the best chance to perform well in the exams. Likewise, our efforts will ensure you have the opportunity to demonstrate that fully in September, irrespective of the public health emergency that is affecting us all.

We hope you are staying well.
