

Dear Member,

We hope your preparations for September are going well. We are continuing to work hard behind the scenes to ensure that you have a positive experience when you sit your exams, whether you are going to be doing this via remote invigilation or in a socially distanced way at your Accredited Centre.

There is some new information on the FAQ page covering the following:

- Bandwidth
- Internet drop out
- Using your information
- Exam permits

If you are sitting your exam at your Accredited Centre, the regulations for that are now available on the website [here](#). Please make sure you are familiar with them.

We hope you are staying well.
