

Dear Member,

The main update this week is that we have added some new material to the September 2020 Examinations FAQ page, including information regarding:

- Pre-release case study material
- How your exams will be invigilated
- Availability of practice papers
- ProctorExam and the e-assessment system
- Taking breaks during the exams

We would also like to remind you that the deadline to transfer your exam entry to the January exam session is **Friday 24 July**. Please think carefully about deferring your entry: the CILEx Assessment Team and your Accredited Centre are working very hard to give you the best possible support for the online exams and you have no doubt already invested a significant amount of time preparing for them.

The CILEx Team will continue to prioritise enabling you to sit your exams safely and securely and there is therefore no guarantee that the January exams will be paper-based.

We hope you are staying well.

The CILEx Assessments Team
