

Dear Member,

Following on from our email last week, please find below the latest updates to support you in your preparation for the CILEx September 2020 online exams.

- [Examination Regulations – Online Exams with Remote Invigilation](#)
- [Candidate Guide - Remote Invigilation](#)
- [Practice tests for all Level 3 and Level 6 units](#)

If you haven't had a chance to start using the test papers yet, we recommend that you visit the website and start building them into your preparation as soon as you can. They are designed to help you become familiar with sitting the exam online and you can do them as many times as you need to until navigating through the paper becomes second nature.

The important thing is to feel comfortable when you sit the exam for real in September so your whole focus can be on answering the questions to the best of your ability.

We hope you are staying well.
