2018 Submissions

Solicitors Code of Conduct

CILEx is aware that the Solicitors Regulation Authority Code of Conduct (2011) is currently under review by the Solicitors Regulation Authority ("SRA"). Following consultation new codes have been produced in draft but these have not yet been endorsed or adopted by the SRA.

For the January and June 2018 submissions, CILEx will continue to accept reference to the existing Solicitors' Regulation Authority Code of Conduct 2011.

CILEx will advise Centres and tutors of any changes to the Professional Skills materials in 2018.

Money Laundering Regulations 2007

The Money Laundering Regulations 2007 have been repealed and replaced by **The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017**.

The Level 3 and Level 6 CILEx moderation team will, for the 2018 submissions, accept reference to the either the old or the new Regulations. Candidates who do not make reference to the new Regulations will not be penalised.

Where candidates have already started this task, then the CILEx moderation team will for the 2018 submissions accept reference either to the 2007 Regulations or to the 2017 Regulations.

CILEx will advise Centres and tutors of any changes to the Professional Skills materials in 2018.
