

THE PRACTICE OF CHILDCARE LAW

The Practice of Childcare Law (Level 3)

Aim of this unit:

- The learner will understand the legislation governing children's proceedings in England and Wales and the role and importance of interagency working in child protection including interventions to protect children in urgent need.
 - The unit also covers the procedural requirements for care orders and supervision orders and the options available for securing a permanent placement for a child..
-

The Learning Outcomes of this unit are to understand:

1. The legislative framework governing children proceedings.
2. The concept of inter-agency working and the roles of the key personnel involved in the child protection process.
3. The duties which local authorities have to promote the welfare of children and to ensure that children are protected.
4. The procedure by which a care order or a supervision order is obtained.
5. The options which exist for securing a permanent placement for a child.
6. The interventions that are available to protect children who are in urgent need.

This specification is for 2017 examinations
