

Approved Exemption Claims Procedure

CILEX Professional Qualification

V1.0 FINAL
Issue date: December 2021

Introduction

1. This procedure sets out how trainees claim approved exemptions. The qualifications which have been approved for exemption are set out in Appendix 1. In addition, exemptions are in place for trainees who have successfully completed units from the CILEX Level 3 Certificate/Diploma in Law and Practice or the CILEX Level 6 Professional Diploma in Law and Practice as set out in Appendix 2. This procedure should be read in conjunction with the CILEX Exemptions Policy – CILEX Professional Qualification.

Scope

2. This procedure applies to trainees seeking to claim approved exemptions, and CILEX staff involved in processing and assessing approved exemption claims.

Holders of a Law degree (LLB), Graduate Diploma in Law (GDL), Legal Practice Course (LPC) or Bar Professional Training Course (BPTC):

3. Holders of LLBs, GDLs, LPCs or BPTCs will first be required to become members of CILEX (if they have not already) and indicate their prior law qualification(s) during their application for membership.
4. Trainees will be required to provide evidence of their qualifications (certificate and transcript) via Contact Us on myCILEX within 28 days of becoming a member of CILEX.
5. Trainees will be able to apply for the CPQ immediately, and will only be given access to the CPQ stage which is applicable to them, depending on their prior legal qualifications.
6. Once qualification evidence has been submitted, and it has been approved by CILEX, trainees will have their exemptions applied in accordance with the approved exemptions set out in Appendix 1.
7. Failure to provide valid evidence within 28 days will result in membership being downgraded, and the CPQ registration (and associated courses, if applicable) to be cancelled.

Holders of the Paralegal Apprenticeship/CILEX Level 3 Certificate in Law & Practice:

8. Trainees who have completed the Paralegal Apprenticeship or a CILEX Level 3 Certificate in Law and Practice will first be required to become a member of CILEX (if they have not already) and indicate their prior law qualification(s) during their application for membership.

9. Trainees will be able to apply for the CPQ immediately and will need to indicate during their CPQ application that they have completed the Paralegal apprenticeship/CILEX Level 3 Certificate in Law & Practice.
10. Trainees will then be presented with the Bridging Package options available for those who have completed the Paralegal Apprenticeship or the CILEX Level 3 Certificate in Law and Practice. It is paramount that the correct Bridging Package is selected.
11. Once a trainee has purchased a Bridging Package, they will be fully exempt from the CPQ Foundation module(s) as outlined in Appendix 1.

Holders of A level Law or CILEX Level 3/6 Certificate/Diploma in Law and Practice units

12. Trainees will first be required to become a member of CILEX (if they are not already) and indicate their prior law qualification(s) during their application for membership.
13. Trainees should then register on the CPQ.
14. Trainees must log in to myCILEX and select *Request CPQ Module Exemption* under My CPQ.
15. Trainees should choose *Request Exemption* against the module for which they are seeking exemption.
16. Holders of A level Law are required to submit a copy of their A level qualification certificate and an official transcript provided by the awarding institution of the qualification components achieved. Holders of A Level Law must ensure that:
 - a. The scanned copy of the certificate or transcript is clearly visible
 - b. All qualification numbers on the certificate or transcript are visible
17. Holders of CILEX Level 3/6 Certificate/Diploma in Law and Practice units should provide a screenshot of their exam results as evidence to support their exemption claim.
18. CILEX may contact a trainee to discuss their exemption claim if queries arise.

Outcome of exemption claim

19. CILEX will confirm the exemptions which have been approved and apply the exemptions to the trainee's CILEX record, as applicable.

Timeline

20. CILEX will process claims for approved exemptions within 10 working days.

Fees

21. Trainees are first required to register for the CPQ stage applicable to them. Trainees who are exempt from part of a CPQ stage must pay the fee for the full stage. There is no additional charge for the exemption claim.

Retention of materials

22. CILEX retains exemption claims and supporting evidence for 6 months after the exemption claim has been processed.

Review arrangements

23. This procedure is subject to a three-year review cycle. However, the procedure may be reviewed more frequently to address operational feedback or concerns brought to the attention of CILEX to ensure the procedure remains fit for purpose.
24. This procedure and the associated policy are also reviewed as part of CILEX ongoing quality improvement monitoring.
